H. E. Mr. Viktor ORBAN
Prime Minister of Hungary
Budapest
Hungary

Dear Prime Minister ORBAN,

I was greatly honored to have the opportunity to meet with you last month in Budapest and exchange views regarding the geopolitical landscape.

Many of us, both in Europe and upon the world stage are watching you, deeply impressed by the effective and confident manner of your leadership, the way you achieve coherent action, results and public trust at home and remain a source of fresh unorthodox thoughts and debates on the European and International stages.

I hope we will be able to continue our dialog in the near future, on both geopolitical developments as well as the economy and other issues we have discussed.

I will especially appreciate it if we can have an early meeting in Mid August 2014, where I can bring with me and introduce to you Mr. Viktor Vekselberg of Renova.

Knowing that this is both summertime and a burden on your permanently intensive schedule, we will of course adapt ourselves to the venue and time of your convenience.

Thanks once again. I wish you all the best and looking forward to your response,

Sincerely,

Ehud BARAK
Former Prime Minister
and Minister of Defense

of Israel
